

VÍCTOR GARCÍA.

DATA SCIENTIST

Areas of interest:

DATA SCIENCE

FINANCES

MACHINE LEARNING

SAMPLING

Professional Summary: Data scientist with research experience in interdisciplinary projects with interest in joining the data analysis area. Disciplined, fast learner and easily adaptable. With a willingness to work in a team and the ability to meet objectives with predefined times. Results-oriented.

Competencies & Skills

01/20

Participation in the *Estimation of Future Property Insurance Cancellations* project within the framework of the **13o. Taller de Solución de Problemas Industriales** carried out at Centro de Investigación en Matemáticas.

- Data cleaning on different types of insurance customers.
- Design and comparison of different model proposals for the prediction of policy cancellation.
- Creation of a data viewer to identify actual cancellations and late payments.
- Presentation of the solution to the client.

08/18-11/18

Participation in the research project *Modelos espaciales predictivos para la obesidad, el síndrome metabólico, la diabetes tipo 2 y enfermedades cardiovasculares en México*.

- Data cleaning, detection and imputation of missing values.
- Descriptive model design.
- Data visualization.

06/18-07/18

Research in the *Sobre la luminosidad emitida por máseres de agua en función de otras variables* project, on statistics and astrochemistry, advised by researchers from the Astronomy Department from Universidad de Guanajuato (UG).

- Data cleaning, detection and imputation of missing values.
- Descriptive model design.
- Data visualization.

Education

2018-2020

Master's degree in Mathematics with orientation to mathematical finance, pending. Registered to the Instituto de Investigaciones en Matemáticas Aplicadas, Universidad Nacional Autónoma de México. Working on the thesis *La volatilidad de un activo como movimiento Browniano fraccionario*.

2013-2018

Bachelor of Mathematics at Universidad de Guanajuato, with the thesis *Estimador por calibración: Problemas en su implementación y propuestas de soluciones*.

Additional experience

01/19- today

Tutor of the mathematics area of the university admission course Unitips, providing advice to applicants to study at UNAM, IPN, UAM, among others.

09/15 - 06/18

Teacher assistant, responsible for carrying out the task evaluation, exams application and responsible for study sessions in different courses of the degrees in mathematics, computer science and chemistry, in addition to mining and chemical engineering. An improvement in the evaluations of the students of all the groups was achieved.

Operating Systems experience
 GNU/Linux★★★★★
 Windows★★★★★
 Mac OS★★★★★

Certificates

 Microsoft
 Competencias tecnológicas para la productividad, 2011.
 UC DAVIS
 UNIVERSITY OF CALIFORNIA
 SQL for Data Science, 2020.
 AUSTRAL
 Estructuras de datos en Python, 2020.

Courses

 Santander ie FOUNDATION
 DATA SCIENCE, MACHINE LEARNING AND AI FOR BUSINESS, 2020.
 CIMAT
 Data Science Fin-ML/IVADO Workshop Montreal-Guanajuato, 2020.
 UDLAP®
 I Taller Inter-Institucional de Ciencia de Datos e Inteligencia Artificial, 2019.
 INEGI
 Seminario internacional sobre edición de datos, imputación y no respuesta, 2017.
 Hollington INSTITUTE
 Life Styles, Curso de Inglés, 2007-2009.

Human capital formation

Collaborator in Mexicanas del Futuro: Trazando Conciencias, Pensando en TI, supporting activities in the organization of the workshop fair aimed at motivating the scientific vocation in high school girls, carried out in the IIMAS facility.

Principal speaker and organizer of the weekly seminar of Integration techniques.

Speaker of the Mathematics Olympiad coaches course for high school teachers with the topic "Number Theory".

Coach of the preselection of the Guanajuato state, in addition to the support in the elaboration, application and evaluation of the selective exams of each stage.

Publications

García Sánchez, Víctor Miguel and Trinidad Hernández, Miguel Ángel
Sobre la luminosidad emitida por máseres de agua en función de otras variables
20° Verano de la Ciencia Región Centro, Vol 4. Num. 7.

Recognition and rewards

2019	Honorable mention in the Poster Session of the XVII Escuela de Probabilidad y Estadística Poster competition For the presentation of the poster "INLA como alternativa a MCMC y su uso en un modelo predictivo espacial".
2013	First national place of the first stage Festival Académico 2013 Award obtained in the mathematics area of the contest organized by the Dirección General de Educación Tecnológica Industrial.
2012	Bronze medal 26 Olimpiada Mexicana de Matemáticas Achived by score in the national stage of the 26 OMM held in Guanajuato, Gto., Being invited to carry out the studies of the Degree in Mathematics in the same city by staff of the Centro de Investigación en Matemáticas.
2011	Honorable mention 25 Olimpiada Mexicana de Matemáticas Achived by score in the national stage of the 25 OMM held in San Luis Potosí, SLP.
2010	First place in the Hidalgo state and participation in the national stage ExpoCiencias Participating with research project about the number π (pi).
2008	National selected 12th Po Leung Kuk Primary Mathematics World Contest Participation in the international Po Leung Kuk contest held in Hong Kong.
2006	First state place in mathematics ENLACE exam Best score in the ENLACE exam being invited to the awards ceremony at Los Pinos Official Presidential Residence.
